****ALL STUDENTS AND PARENTS**, please **follow these guidelines and rules** to ensure a FAIR and SAFE Talent Show:

1. ALL MUSIC AND LYRICS SHOULD BE APPROPRIATE FOR A SCHOOL-BASED AUDIENCE. If uncertain, please ask your teacher, then Mrs. Hui well before you start practicing (BEFORE your audition!!)
2. **ALL ACTS MUST BE LESS THAN 4 MINUTES!!** Time everything before you decide your act. Shorten it, if necessary.
3. EACH STUDENT IN ONE ACT ONLY (So every student has a chance to perform during the auditions & maybe in the Talent Show).
4. ****SINGERS****
Singers CANNOT sing using tracks with another performer's voice. Instead, singers can sing: *a cappella*, with a live or recorded instrumentalist (can be a parent, relative or another student instrumentalist) or an Internet or CD-based karaoke/minus-one track.
Singers must decide EARLY on what music, if any, they will be using and then WORK HARD to get the music onto an ipod/CD in order to guarantee that they will have the song ready for their audition. All singers **MUST MEMORIZE THEIR SONG BEFORE** their audition.

5. ****POETS, POETRY RECITERS, STORYTELLERS & ACTORS****
POEMS, PRESENTATIONS, STORIES & SKITS MUST BE MEMORIZED at the audition.
6. ****DANCERS**** Solo or group dancers can use music (with or without words). The choreography should be appropriate for a school-based audience. Again, if you are uncertain, show your classroom teacher, then Mrs. Hui, ASAP.
7. ****EVERYONE**** Please ensure that your performance can be seen, heard and enjoyed by everyone in the audience from the first row all the way to the last row. Your safety is important, so ensure that you have arranged for any and all safety equipment needed (e.g. martial arts demonstration would require blue floor mats available from the school gym).
8. ****2 MICROPHONES, CD PLAYER and PIANO ARE AVAILABLE****
9. ****Please make all arrangements for EVERYTHING your act will require (e.g. props and costumes) prior to your audition. Last-minute efforts will probably result in great disappointment on that day!**
10. Students who FORGET to show up to their audition will not be considered for the Talent Show. (However, if you were ill or have a legitimate reason, you MUST hand in a parent note to Mrs. Hui the day you return to class. Those who bring a note, including those belonging in a group act, will be rescheduled by the judges for another audition date.
11. QUESTIONS??? See your classroom teacher first, then Mrs. Hui
