ANNIEVILLE PAC

Welcome Back To School

We are looking forward to another Great year !

With the school year underway, things will look slightly different this year compared to previous ones but we know that with your support we will make it the best we can!

Annieville PAC is proud to provide funding for as much as we can that will benefit the kids.

Last year we spent over \$30,000 on technology so that each student will have access to iPads and Chromebooks. While we strive to offer different fundraisers, please only participate in the fundraiser that is right for your family.
