

North Delta Football is pleased to announce registration for the 2021 Spring Flag football season is now open! Please visit us at www.northdeltafootball.com for more information regarding fees and deadlines.

In the past we have visited schools in North Delta to share with students the game of Flag football. Unfortunately, due to Covid-19, we were not able to visit schools in 2020 and do not anticipate being able to do so in 2021.

We are focusing on getting the kids outdoors for skills development, exercise, having fun and making new friends in the community. We hope join us!
