Term One Report Cards:

A gentle reminder that **Term One Report Cards** can be now viewed on Parent Connect. As we are still early in our Term Two, it is a great time to talk with your child(ren) about their progress. What are they learning? How is it going? What are they strengths?

Their stretches? Remember to focus on the positives and listen to each other. We all want the same thing...school success! If you are having any trouble accessing your child(ren)'s report, please contact the office.
