## Halloween

Halloween is just around the corner! Our Halloween parade will take place on Monday, October 31st at 9:30 AM.

Parents will be invited to enjoy the parade and to see all of the costumes. We will let parents know closer to the date as to where

they can see all of the students.

Please stay tuned for more information regarding our Halloween parade..... coming soon! In the meantime, as you/your child are costume planning, here are some guidelines for Halloween costumes at school:

### Halloween Costumes at School:

- should **not** be too scary
- should be age appropriate
- should **not** promote illegal activities, **drugs/alcohol**, or could be offensive or perpetuate a stereotype of someone's culture, gender, heritage, or religion are not ok for school
- **must be safe & comfortable.** Students must be able to sit, walk, breathe, see and hear. Anything that limits vision or restricts movement can lead to falling & other injuries. That's no fun on Halloween! **(students may wear masks during the parade, though)**
- **must be in line with our dress guidelines** (students are **sufficiently covered** and **dressed for the weather**)

### Also:

- **toy weapons are not to be brought to school**
- not all students like to dress up (and that's ok, too!)
- since costumes worn to school may not survive the day intact, **consider a spare/alternate costume** and save the "real" one for trick or treating that night

Also, please do not send any Halloween party treats to school that are designed to be shared, such as a bowl of popcorn or chips, where multiple students will put their hands into a common plate or bowl. Individually wrapped treats are best if you are wanting to share a treat with all of the students in the class. Please ask questions of the classroom teacher if you are not sure of what you can or cannot send with your child.

## Annieville Absentee Line:

Reminder to families that if your child(ren) will be away, please phone the school at 604-588-1204 and leave a message regarding your child's absence.
