### PLEASE READ OVER FOR IMPORTANT INFORMATION

**Annieville Crossing Guard Vacancy:** We are currently in search of someone to work as the crossing guard for our school. The hours are from 8:25am-8:55am and 3:00-3:30pm. Please reach out to the Principal, Ms. Parmar, if you are interested or know someone who is. [sparmar@deltaschools.ca](mailto:sparmar@deltaschools.ca)

**Safe Wheeling!** Between 8:30am & 3:30pm, everyone (including parents/guardians & older teen siblings), must disembark from scooters, bikes, skateboards (anything with wheels) upon crossing onto school grounds. This will help us all to avoid collisions and near-misses between people, especially during drop-off & pick-up times. Thanks!

### Medication at School

If your child has any serious allergies or medical conditions, and/or needs to have access to medication such as an inhaler or epipen at school, there is a form that needs to be completed each year. Please contact our school administrative assistant, Ms. Clarke at [sclarke@deltaschools.ca](mailto:sclarke@deltaschools.ca)

### Health and Wellness

This a gentle reminder for all students, staff, parents and caregivers: Please stay home & away from school if experiencing symptoms of illness. Please be advised that the [Daily Health Check](#) has been updated in line with the district's latest [Communicable Disease Prevention Plan](#). These documents can be found on the COVID page of the district website: <https://www.deltasd.bc.ca/news-events/news/information-for-parents-guardians-novel-coronavirus/>

**\*Please ensure the office has your correct/updated emergency contact information.**

### Other Important Notes:

Beginning this Fall, Delta Continuing Education has moved solely to an on-line catalogue to promote many courses. By discontinuing the print catalogue, we hope to reduce operating costs and improve the District's environmental footprint. Since the community has been receiving our print catalogue for over 50 years, though, we hope you will help us spread the word about our new website: <https://ce.deltasd.bc.ca/>

The website includes information about Academic Upgrading, Personal Interest courses, Facility Rentals, Early Childhood Education, First Aid, shows at Genesis Theatre, and much more. Some highlights this Fall include:

- [Delta Teaching Assistant Certificate](#): January 2023 in-take
- [Adult Literacy and High School Completion](#)
- [Mental Health First Aid](#)
- [Basic Amateur Radio Operator Certification course](#)
- [Mozzarella, Burrata, and Bocconcini](#)

Please bookmark the [new site](#).
