Messages left with the city to find out where we are on the list. Following up bi-daily for more information.

Thursday would be the preferred day for both the class and the parent drivers.

Fundraising - Sheri

Neufeld

Over \$200 in profits so far
Promoting fundraisers on Facebook and Instagram
Sheri will be having flyers with QR Code printed
Susan to assist with posters in the school windows

Principals Report - Susan P

Grade 7 camping trip was a success, and other classes are starting to plan field trips as well. Helps make the year feel a little bit more "normal."

Logo Update - Our new Seahawk has been received! We are still working on the sizing and lettering around the image, but it should be completed in the very near future.

Once that is complete, spirit wear orders will begin

Waiting for update regarding having the school painted.

Grade 4's and 7's will begin writing their FSA's.

If parents have decided not to have their children write the FSA's, they will need to contact Susan. The opt out letter that BCTF sends home will not be sufficient to exclude children from the testing. Susan will be contacting those parents who have submitted the letter to advise of this.

Thank you to the PAC for sports activities bins that we provided for the classrooms. Ordering will begin to start filling them!

We are currently on pause with ordering new ipads and chrome books for the school. We are waiting for the newest updates.

Diwali celebrations will be happening on Monday in classrooms

Halloween parade will be happening in the AM so that the kids can come to class dressed up, instead of trying to get dressed at school

Pro D on Friday

We are now fully staffed! We have filled the role of our inclusion teacher. Increasing the amount of spirit days will be looked at

Teacher Report - Trish M

Can we ask that we be included with Cobs fundraising at the 72nd and 120 location? This is something PAC will need to set up.
