PAC Co-Chair Report - Jessica K

Jessica to find out if we have room to accommodate an extra curricular class (Ex pottery) with in the time line for June.

PAC would like to have the teachers wish list again this year. Jessica will provide options to Susan and will distribute them to the teachers. What are the things our teachers need in their classrooms for next year including books and class supplies.

At the track meet this year we noticed our tent is broken. We would like to look at having a new one with the new Anniville logo on it. It will be discussed if PAC should pay or if it could be a 50/50 split.
