2024/2025 School Year Budget

In preparation for development of the 2024/2025 budget, the Delta Board of Education is encouraging parents/caregivers, staff, partners, and rights-holders to share their priorities for the upcoming school year.

For the last few years, the board has offered public input sessions via Zoom to gather feedback. As a result of limited participation, the board is taking a different approach with the aim of increasing engagement and gathering more feedback from the community. This new approach involves an online survey, as well as more traditional methods such as email, mail and through the school's PAC.

Following the release of the draft budget recommendations on April 18, the board will again invite feedback from parents/caregivers, staff, partners, and rights-holders.

Please [click here](#) to learn more about this year's consultation process and to access the first online [survey](#). The deadline for completing this survey is 12 noon on March 18, 2024.
